## 3 months carbon neutral life

### Congratulations Chris!

You have received 3 months of carbon neutral life from **Alex** worth €27. The carbon offset is dimensioned for a person generating 10 tonnes co2 every year.

*"Thanks mate for being the best moving help last weekend. You and Caroline should come over for dinner in the new flat soon!"*

Are you curious about how much carbon dioxide you actually generate? Go to [climatehero.me](https://climatehero.me) and calculate your carbon footprint in 5 minutes! Then you also get smart tips on how to reduce your climate footprint with small changes in your lifestyle.

Carbon offset means that you finance projects that reduce climate emissions elsewhere on earth. For example, it could be to shut down a coal-fired power plant in India and replace it with solar or wind power. ClimateHero supports projects that are certified by the **UN** and which have the quality stamp **Gold Standard**. To be absolutely sure that you live carbon neutral, your emissions are offset to **200%**.
